## Greeting

**T**HE COMMITTEE OF CHAUFFEURS wish to extend their usual yearly, hearty greeting on this occasion of their Fourth Annual Ball.

It is needless to say that the majority present here this evening, have attended some, if not all, of our previous affairs, and memories of their grandeur and quality still linger in their minds tonight.

The Committees have proceeded to a point, in the arrangement of the affair, of creating surroundings sufficient, to make this evening enjoyable and interesting and also make it a link of the chain of memories of our past affairs.

We wish to express our appreciation to all who have assisted in making this a successful and enjoyable evening. Enjoyable in two respects, First: that you have really had a pleasant and enjoyable evening. Second: Enjoyable from the fact that you have contributed to a worthy cause, as the entire proceeds of this affair is to be devoted to *Bar Harbor Charities*.

Very truly yours,  
COMMITTEE OF CHAUFFEURS.
